

Residents Encounter Christ (REC) is a multi-faceted ministry answering God's call to serve in Florida. As a part of that call, the ministry provides a 3-day spiritual retreat called the REC-Outside. This program is open to everyone, regardless of where they are on their faith journey. The REC-Outside is provided to encourage each person's own relationship with Christ wherever that may lead them.**

The next REC-Outside program will be held on February 23-25, 2017 at New Covenant United Methodist Church in The Villages, Florida. An REC-Outside for women and an REC-Outside for men will be held in separate conference rooms, but within the same facility during the same (3) days.

Both programs begin at 5:30 p.m. on Thursday, February 23rd (check in for all participants [pilgrims] starts at 5:00 p.m.) and conclude on Saturday afternoon. The fee of \$170.00 includes hotel accommodations as well as all meals and any program supplies. Pilgrims must be available for the entire (3) days and be able to stay at the hotel on both Thursday night and Friday night. Note: Rooms are double occupancy – each pilgrim stays with another pilgrim from the same conference room (even if they attend with their spouse). Single occupancy rooms are available at an additional charge.

Please contact us with any questions and we pray God will abundantly bless you as you experience your REC-Outside weekend.

****Residents Encounter Christ is an interdenominational Christian ministry that brings the Good News of God's grace to the residents of our Florida county jails. During a 3-day REC experience, a team of Christian men and women, both lay and clergy, enter a correctional facility together to share Christian community.**

Although a part of the ministry, the REC-Outside is NOT a training weekend for serving in the jail. However, if interested, a pilgrim may request to serve on a future jail ministry team.
